

# AZTEC OILS LTD

## RUST PREVENTATIVE ST/WD

**ST/WD** is a blend of corrosion inhibitors, mineral oils and dewatering aids in a hydrocarbon solvent.

**ST/WD** is designed for use as a dewatering, non staining short term rust preventive with penetrating properties.

**ST/WD** is ideal for dewatering components which have been subjected to a water based cleaning process.

**ST/WD** leaves an oily temporary protective film which can if necessary be removed with hydrocarbon solvents. Up to 30 days internal storage protection can be obtained on ferrous metals.

### Typical Properties

Appearance	-	Fluid Oil
Colour	-	Amber
Specific Gravity @ 15.6 °C	-	0.845 - 0.855
Flash Point	-	64 °C (COC)

### Packaging

Product may be stored in mild steel or polythene and is available in a variety of containers.

### Transport

This product is not considered hazardous for transportation purposes.

### Health & Safety

See the Material Safety Data Sheet for full details.
